

Teen Accident Avoidance Driving Course

Car Control

Participate in this cool course and learn how to be in control of your vehicle at all times

You will learn how to drive safely and efficiently under any conditions

Through this progressive and fun learning method you will experience and understand the dynamics of car control.

You'll learn how to "look into the future", being always one step ahead, anticipating, acting before things happen.

You will learn to be **in control** during:

- Skids •Cornering •Emergency stops •Emergency stops while cornering •Emergency lane switching

Sponsored by

Mall of America, the Monticello and Bloomington-Daymakers Rotary Clubs
and BIR Performance Driving School

MALL OF AMERICA

Brainerd International Raceway
BIR
Performance Driving School
