

- All animals must be current on all vaccinations. Proof of vaccination will be required before entering the Santa Experience. No exceptions.
- A general release agreement and pet waiver form will be required to be filled out before entering the Santa Experience. Please see below for forms.
- All animals must be leashed. Those animals that cannot be controlled by a leash must be contained in an appropriate cage or crate.
- No wolves or wolf-dogs hybrids will be allowed. No pet wild animals (examples: lions, tigers, bears, raccoons, snakes, etc.), farm animals (examples: calves, lambs, baby goats, etc.), snakes or lizards over 6 ft. in length, and no venomous animals will be allowed to enter the building.
- Pet owners will be responsible for immediately cleaning up any "messes" created by their animals.
- Participants are discouraged from petting or handling each other's pets, especially reptiles, turtles, and amphibians.
- Mall of America Management has the discretion to turn away any animal that does not fit the guidelines listed above, or any animal that appears to be aggressive toward people or other animals.
